Hopeful Address by Methodist Pastor at Sheltering Arms—Hymns Beautifully Sung by Choir—New York Summer Boarders Arriving—Remodeling of Skinner House.

The service at the Sheltering Arms Sunday afternoon was in charge of Rev. E. P. Phreaner of the First Methodist church, assisted by members of the choir. Among the choice hymns sung were Peace, Perfect Peace, and Abide With Me. Miss Martha M. Brown and Miss Carrie Jones sang in good voice the duets Jesus, Lover of My Soul, and O, Mother Dear, Lover of My Soul, and O, Mother Dear, Lover of My Soul. Miss Dodge accompanied.

Rev. Mr. Phreaner took for his text and they constrained him, saying, Abide with us. The evening was drawing on and Christ's disciples were discouraged. The disciples were surprised when Jesus was made known to them. Surprises are awaiting us, always something at the heart of things that Christ is preparing for us. Some of the thoughts brought out were: The phrasing of the hymn, Abide With Me, comes from these words, Abide with us. Some things never stay; money doesn't stay, health doesn't stay, children grow old—our character and Christian life, friendships, the friendship of Christ—these things will not pass away. The disciples were disappointed, some of us are disappointed. Disappointment is what we see, Christ takes things away to save us; the result, we do not see. We often say: Why was it?

The speaker said in closing: Sometime we shall see face to face. The Master is with me and you, as we journey on. Oh, precious Son of God, help us, that we may say: Abide with me!

Miss Clara Lynch Dies Suddenly—Village Needs Organized Fire Department—Mr. Lawton Improving in Health.

Word has been received here of the sudden death Sunday night of Miss Clara Lynch of North Grovesendale. Miss Lynch has been working in Plainfield and has been staying at her brother's home on Lawton Heights until very lately, when she left for her home in North Grovesendale, where she became ill. Miss Lynch made many friends here by her quiet manner and agreeable disposition and all are deeply grieved to hear of her sudden death.

Need of Regular Fire Department. Work is under way here for organizing a fire company. Although Plainfield is well supplied with hydrants in the downtown section, the need of an organized body of firemen was sorely felt at the last few fires here, especially the fire at A. C. Tillinger's store last Friday morning. Much better results must have been attained had there been an organized fire company. There are no orders to form a body of fire fighters in need for the protection of Plainfield interests.

Mr. Lawton Improving. Harold Lawton, agent of the Lawton Mills corporation, is reported to be improving in health.

NOT MUCH FUN TO IT

DO YOU enjoy carrying a pail of coal?
Is there any fun in sifting the ashes?
Can anyone get any enjoyment out of cooking a meal in a roasting hot kitchen?
In the smothering heat of the Summer is there any pleasure in constantly living in coal dust, coal smoke, and rub, rub and scour from morning till night?
Does anyone really love hard work as well as that?
Don't we all like to take life easy and make it as comfortable as possible?

There is only one way to do that—banish the coal stove and all the drudgery and hard work goes with it. Then bring in the GAS RANGE and with it some comfort and economy, for not only is gas more convenient than coal but it costs less to operate.
